SUSPENSION REQUEST

In accordance with Listing Rule 17.2, Dacian Gold Limited (**Company** or **Dacian**) requests that a voluntary suspension be applied to the Company's securities and sets out below the details of that request.

In accordance with Listing Rule 17.2, Dacian advises that:

- a) the voluntary suspension is necessary to assist the Company in managing its continuous disclosure obligations as the Company expects to make a material announcement to the market regarding an update to the company's Ore Reserves, Mineral Resources and life-of-mine plan which is anticipated to see a reduction in Mineral Resources and Ore Reserve for the Westralia Underground Mine;
- b) it requests the securities remain in voluntary suspension until the announcement to the market of the update to the company's Ore Reserves, Mineral Resources and life-of-mine plan. This is expected to occur during the week commencing 24 February 2020; and
- c) it is not aware of any reason why the voluntary suspension should not be granted.

Yours faithfully

Company Secretary
